HOW CAN I REGISTER?

3. Account creation.

- 1. If you already have an account, log in with your email address and password.
- 2. If you do not have an account, follow the instructions to create a new one. You can use a Gmail account or register manually.

4. Language change and data update. Go to 'MY PROFILE' to change the language to ESP/ENG or update your personal data.

The screenshot displays the BAP (Barcelona Beer Challenge) registration and user interface. On the left, the 'Sign In' section includes fields for 'E-mail' and 'Password', both marked as 'Required'. Below these fields are buttons for 'Sign In' and 'Sign in with Google'. A blue arrow points from the 'sign up' link in the footer to the 'Sign up with e-mail and password' button. On the right, the 'Sign up' section explains that users need to either create a username/password account or connect to a Google account. It features buttons for 'Sign up with e-mail and password' and 'Sign up with Google account', along with a 'Cancel' link. Below these is a link to 'Sign in' for existing accounts and a disclaimer about agreeing to terms of use and privacy policy by signing up. On the far right, a user profile dropdown menu is shown for 'anna portavella', with a blue arrow pointing to the 'My profile' option. The menu also lists 'My breweries', 'My orders', 'Change password', and 'Sign Out'.

BEER/BREWERY REGISTRATION

5. Brewery Data Entry

1. Enter the name of the brewery. If your brewery does not appear in the database, select the option 'Couldn't find on the list' and fill in the necessary data to register your company with all the fiscal data.

Register entry

Please choose the participant you wish to register for the competition. If you do not see it listed below, you have the option to provide the new information for registration.

BEER REGISTRATION

6. Beer Registration Process

- 1. Once you have entered the brewery data, you can start the registration of each participating beer.
- 2. If you don't know the beers submitted yet, you can put provisional names like BEER1, BEER2 etc., and add the data later on.

7. Mandatory and Optional Elements

- 1. Within the registration process for each beer, there are mandatory elements (such as the base style or additional information in some styles) and optional elements that you can fill in according to your criteria or needs.

PAYMENT PROCESS

- 10. Payment:** Once you registered all the participating beers, accepted the terms and conditions and clicked on the Finish Order button, you will see the payment page. This is the end of the process, and in a few days you will receive an invoice with the payment details. You can pay by bank transfer or payment by credit card.
- 11. Change your data:** You can access your registration until registration closes with your email and password whenever you want to make changes. Once the registration is closed, you will not be able to change anything.
- 12. Responsibility:** Any changes made by the brewer to modify the beers in the registration system will not be reviewed by the organization and Beer Events, the organizer of the Barcelona Beer Challenge, is not responsible for the registrations or the changes made by the brewer. If you have any questions, don't hesitate to contact us at aportavella@barcelonabeerchallenge.com
